A family home in Shropshire, a short distance from the River Severn.

01 — WELCOME

Welcome to Coton Hall

At Coton Hall, we host weddings, private celebrations and corporate events at our family home in Shropshire, a short distance from the River Severn.

Couples may choose from settings across the house, the gardens or our marquee. Each wedding is arranged entirely to suit the couple, whether that means working with your own Wedding Planner or coordinating the details directly with us.

02 — HISTORY

A House With History

The house is late Georgian, though the Estate's history reaches back to the 14th Century. A chapel has stood on site since then, once used by Saxon Kings.

Coton Hall was the ancestral home of the Lee family for nearly 500 years. The present house was built around 1800 for Harry Lancelot Lee, the last of the family to live here – his descendants include Richard Henry Lee, a signatory of the American Declaration of Independence.

The Grounds

From the South Terrace, the gardens unfold across a reception lawn, marquee lawn overlooking the Shropshire countryside, walled garden, a bank covered in wildflower and further parkland shaded by a canopy of ancient trees. Guests are free to wander between the house, marquee and gardens, to discover the different spaces throughout the day.

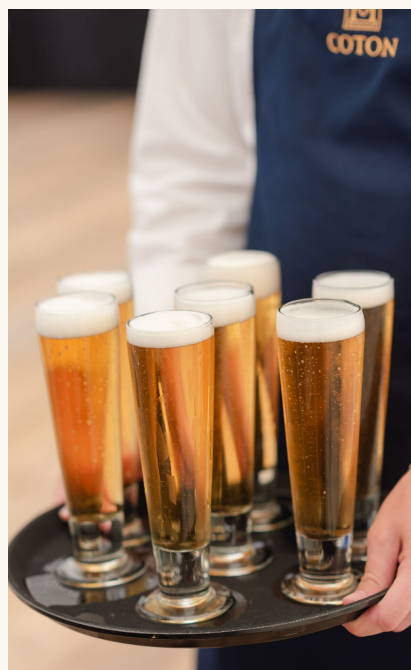

Flowers

When it comes to flowers, we work with a florist, Alexandra, who grows seasonal blooms throughout the year. She creates exquisite bouquets and arrangements, tailored to each wedding. Couples are welcome to work with Alexandra directly, or to bring in a florist of their own choosing.

Food & Drink

Catering can be managed entirely for you, or left to us. We have a fantastic list of trusted suppliers who can cater to any cuisine; however, you're welcome to bring in your own caterer.

Marquee & Reception

The marquee typically holds up to 300 guests.

When the sun goes down

As the evening draws in, the house is illuminated from the gardens, creating a beautiful backdrop as the celebrations continue into the night. Couples may also choose to end the night with fireworks lighting up the grounds.

Dancing until the small hours

Here at Coton, we love a party. Whether that means a live band, a DJ, or a combination of both, it's completely up to you.
